In addition to the textbook, this class requires the use of the statistical analysis software SPSS. SPSS can be accessed free via the virtual lab application provided by UWW. It is recommended that students test the virtual lab application before the start of class. If you are not comfortable with the virtual lab application for any reason, you can purchase a personal license for the SPSS software. The cost of the license varies from $45-90 depending on the term of license and other factors.
