Things to Consider

Financial Aid

The first financial aid disbursement for the Fall 2015 Term can be viewed on Student WINS Accounts on September 1, 2015.

Students receiving financial aid or have a third party agreement are subject to the same payment deadlines. Do not depend on other financing sources to be available to pay your University bill by the payment deadline.

Scholarships are treated the same as financial aid and require additional time to process. Scholarship checks should be turned into the UW-W Cashier's Office at least 10 days prior to the term due date.

Past Due Accounts

It is important to have your student account balance paid in full by the due date. Once an account becomes past due, there is a risk your current or upcoming classes may be cancelled. In addition, the student will be unable to register for future terms, receive transcripts, or their diploma. There is a 1.25% finance charge is applicable to the past due amount.

For questions regarding your account please contact Student Accounts at sfs@uww.edu or 262-472-1373.
