STUDENT MASTER PROMISSORY NOTE INSTRUCTIONS

In the information you received in your financial aid award package, it indicates you must complete a Master Promissory Note for the **William D. Ford Federal Direct Loan**. This promissory note will be used to make Direct Loan disbursements until one of the following occurs: you inform our office in writing that you no longer want the note to be used for additional loans, or if in twelve months after the date you sign the note there was not a disbursement, or the ten year expiration date occurs from the date you signed the note.

As you continue your education, the Master Promissory Note (Direct Subsidized and Unsubsidized or Grad PLUS) may be used for all subsequent loan(s) you accept in the appropriate Direct Loan Program.

Complete your Master Promissory Note (MPN) on the Internet

Go to the website below and “Sign In” to complete your Master Promissory Note. If you do not have your **FSA ID** you will need to create one using the instructions on the website, or use the “**Forgot User Name or Password**” feature. You will also need complete addresses and phone numbers for two references. All students borrowing for the first time are required to complete Entrance Loan Counseling.

In order for your loan to credit to your student account, you need to complete a Master Promissory Note on the Internet at the following website:

<https://StudentLoans.gov>

Your direct Loan is credited directly to your student account no earlier than 10 days prior to the start of the term once eligibility and requirements are met. If there is an overpayment a refund can be processed. **Complete your Promissory Note promptly to avoid delays!**
