Traffic Law Violation: 53

UW- WHITEWATER POLICE SERVICES

Veteran’s Day 2014
By: Nic Thompson & Kelsey Servi

Let’s hop into our time machine and program the controls to July 4, 1776 - Independence Hall, Philadelphia, Pennsylvania. On this date, Continental Congress approved the signing of the Declaration of Independence. Within the Declaration it is written, ‘

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.’

Life, Liberty, and the pursuit of Happiness- ideals that our country has fought and died for and continues to do so. We should honor these sacrifices and attempt to adhere to their ideals.

Veterans Day is an Official United States Holiday that honors all people who have served in the U.S Armed Forces. This year Veterans Day is Tuesday, November 11th.

UWWPS has four members of our department that are veterans. Chief Kiederlen, Detective Servi and Officer J. Kuehl are all United States Marine Corps. Veterans, and Officer Sacco is a United States Army Veteran.

Thank You for Your Service

As the Warhawks continue to battle their way to the playoffs, UWWPS wants to take a moment to remind spectators of a few important things that will ensure everyone has a pleasant time. Please use the provided restroom facilities in the southwest, southeast, and northwest corners of UWW Lot 24 while tailgating. Please clean up after yourself, and utilize the trash receptacles that are located throughout the parking lots. You will also find the designated “hot coal” bins under the light poles in UWW Lot 24. As vehicles enter lots to park, please make room for them to get to their designated parking spots, by staying clear of the center aisles. If everyone remembers these tips for good tailgating etiquette it will be a more enjoyable time for everyone.

Tailgating Etiquette
