UW System application is required for admission to the university, along with high school and all college transcripts, application fee (if appropriate).

Applications for admission to Professional Education are available at the Winther Hall Information desk. Students may apply for admission only at designated times throughout the year. For further information, contact [Becky Wintermute](#) at 262/472-1184.

2. NON-COURSE REQUIREMENTS FOR ENTRANCE INTO EDUCATION PROGRAMS

To be eligible for admission to the **Pre-Professional Semester**, students must have the following:

1. 2.75 minimum gpa on a minimum of 40 credits;
2. passing score on at least two of the three parts of the PPST.

SPECIAL NOTE: admission to the university only requires 2.00. However, to be admitted as a pre-Education major, students must have at least 2.75 grade point average. Admission to the university **does not guarantee** admission to the College of Education.

To be eligible for admission to **Professional Education**, students must:

1. attend a Professional Education Orientation meeting;
2. receive a "C" or better or current enrollment in the three courses contained in the pre-professional semester;
3. earn a "C" or better in speech (810-201);
4. have a minimum 2.75 gpa;
5. pass all portions of the PPST.

Students will be admitted to **Professional Education** on a program by program basis, based on space availability and grade point average.

3. COURSE REQUIREMENTS FOR ENTRANCE INTO SECONDARY EDUCATION

P.I. 34 General Education Requirements and General Studies

Wisconsin Department of Public Instruction has implemented a set of teacher education requirements referred to as PI 34. These rules describe a general education requirement which must be met by **all teachers seeking their first teaching license**, regardless of previous degrees. To meet PI 34 requirements for licensure, students must complete a minimum of 43 credits and the course requirements in the categories listed below.

It is recommended that the student complete requirements for the Associate of Arts (AA) or Associate of Science (AS) Degree prior to transfer to UW-Whitewater since this will satisfy all of Whitewater's university-wide, general education requirements. (NOTE: this policy does not include the ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE.) However, **there are additional general education requirements stipulated under P.I. 34.** Therefore, the student should also include as part of the associate degree curriculum, the following P.I. 4 course areas:

Composition	801-201 and 801-202
Mathematics	804-201
Fine Arts	805-227 (Mus Apprec), 805-263 (Jazz Hist), 810-230 (Intro Drama), 810-233 (Lit of the Theater), 815-200 (Intro Art Hist), 815-210 Art Survey: Modern Era), 815-211 (Art Survey: Women in the Arts)
Speech	810-201 (take at MATC, if possible)
Western History or Contemporary Culture	(consult Advisor)
Non-western History or Contemporary Culture	(consult Advisor)
Biological Science*	any BIO SCI
Physical Science*	CHEMISTRY, PHYSICS, ASTRONOMY, GEOLOGY (200 LEVEL)

*At least one science course must include lab experience.

Not required but strongly recommended: 809-231 Introductory Psychology

4. COURSES REQUIRED FOR ADMISSION NOT IN MATC CURRICULUM

420-223 Education in a Pluralistic Society; EDFNDPRC 210 Introduction to Education and Teaching; EDFOUND 212 Educational Psychology

5. SPECIAL NOTES

Students must complete an Education major in one of the major subjects listed at the top of this guide, plus a minor of at least 22 credits in any other subject.

Students should attempt to take Speech (810-201) at MATC.

Students are advised to take the Pre-Professional Skills Test (PPST) as early as possible while at MATC.
