4. have a minimum 2.75 gpa grade average;
5. pass all portions of the PPST.

Students will be admitted to **Professional Education** on a program by program basis, based on space availability and student grade point average.

3. COURSE REQUIREMENTS FOR ENTRANCE INTO LEARNING DISABILITIES 6-12 EMPHASIS

P.I. 34 General Education Requirements and General Studies

Wisconsin Department of Public Instruction has implemented a set of teacher education requirements referred to as PI 34. These rules describe a general education requirement which must be met by **all teachers seeking their first teaching license**, regardless of previous degrees. To meet PI 34 requirements for licensure, students must complete a minimum of 43 credits and the course requirements in the categories listed below.

MATC students who have earned the Associate of Arts (AA) or Associate of Science (AAS) Degree will have met all university general studies core and proficiency requirements. The student should also include **as part of the associate degree curriculum**, the following course areas to satisfy PI 34 requirements:

Composition	801-201 and 801-202
Mathematics	804-201
