Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and check with the four-year school as soon as the transfer decision is made. Responsibility for complying with all applicable requirements ultimately rests with the student.

The College of Education and Professional Studies is accredited by the National Council for Accreditation of Teacher Education (NCATE) and approved by the Wisconsin Department of Public Instruction. Wisconsin and Illinois participate in an interstate teacher certification agreement. For more information about the agreement, contact McHenry County’s Regional Office of Education (815-334-4475)

Transfer Options

- With AA or AS Degree - University-wide general education courses are satisfied with completion of an AA or an AS degree from MCC. Students should remind UW-Whitewater advisors that they have earned the associate degree to ensure they are not needlessly advised into general education courses. Please note that there are specific general education courses required for licensure. They are included in the recommended courses below

- Without AA or AS Degree - Students who do not earn the AA or the AS before transferring will need to complete specific UW-Whitewater general education courses.

Admission

- Students must be admitted to the University and apply for admission to the College of Education and Professional Studies. Admission is on a competitive and selective basis. Admission to the University does not guarantee admission to the College of Education and Professional Studies.

- Application Deadline:
  - University (priority deadlines) – Fall (May 1), Spring (November 15)
  - College of Education and Professional Studies (Professional Education) – First week of semester - Students will be required to spend at least 1 semester as pre-education before applying for admission to Professional Education.

- Minimum Cumulative GPA
  - Admission to University – 2.0 (based on at least 12 transferable credits for transfer admission)
  - Admission to Pre-Professional Block - 2.75
  - Admission to College of Education and Professional Studies – 2.75 (minimum 40 semester hours)

- Basic Eligibility Requirements
  - Admission to Pre-Professional Block
    - General Education courses listed in Education Plan on following page of this guide
    - Pass at least 2 of 3 sections of the Praxis 1 Pre-Professional Skills Tests (PPST)
    - Attend Phase I meeting
  - Admission to College of Education and Professional Studies
    - Pass all 3 sections of PPST
    - Pass with grade C or better (or be currently enrolled) in each course of the Pre-Professional Foundations Block:
      - UWW Course
        - EDFOUND 212 Educational Psychology or PSY271
        - EDFOUND 222 Child Development ECE120 or PSY251
        - EDFOUND 243 Foundations of Teaching in a Pluralistic Society ENU255
        - EDFNDPRC 210 Intro to Education & Teaching No Equivalent

Additional Information

- **Minor requirement** - A minor is required for Elementary/Middle major: [http://www.uww.edu/coe/programs/undergrad_minors.html](http://www.uww.edu/coe/programs/undergrad_minors.html). Seek advice from the UWW contact person on this guide for minor recommendations and applicable coursework.
- **Maximum hours accepted from a community college** – Up to 72 credits may be transferred from a community college toward the 120 credits required for graduation. Although additional credits may transfer, they will be excluded from the overall 120 needed for graduation.
- **Catalog rule** – Students are responsible for meeting all degree requirements in effect at the UWW at the time that they declare their UWW major, unless they interrupt their attendance at Whitewater by an absence of four or more consecutive academic terms (including Summer), in which case upon re-entry they will be subject to the requirements in effect at that time.
- **Course Repeat Policy** – A course in which a grade of C- or below was originally earned may be repeated once for grade and earned credit replacement. The grade and credits earned for the repeated course will replace those earned in the initial attempt when calculating grade point average and credits toward degree. This repeat policy is used in recalculating GPA for admission purposes. Remedial courses in math and English are also calculated in the transfer GPA.

The following is a suggested program for students who plan to complete the A.S. degree at McHenry County College and then transfer to the University of Wisconsin - Whitewater as an Elementary Education major. Completion of this course work will satisfy the following:

- MCC’s AS degree requirements
- UWW’s general education and coursework for the Pre-Professional Foundations Block (bold print)
