*NOTE: BIO 151 and 152 are not acceptable substitutes for these courses.

A) UW College students who have earned the Associate of Arts and Science Degree will have met all university general studies core, breadth and proficiency requirements. Therefore, students should include the courses listed above as part of the Associate Degree Requirements.

B) UNIQUE REQUIREMENTS
a. Bachelor of Arts (BA)

- One year at the college level of the same foreign language (or equivalent). Requirement waived for students who graduated high school prior to 2012 with 2 years of the same language in high school. Students graduating after 2012 will need to provide UW placement test scores to demonstrate equivalency.

AND

- Six credits of upper division coursework (300 or 400 level courses) from arts, humanities, or social sciences. They may not be in the discipline of the major or minor.
- b. Bachelor of Science (BS)
- 2 laboratory sciences from different disciplines
- AND
- 5 credits of math beyond Math 141 (Intermediate Algebra)
OR 3 credits of math and 3 credits of computer science.

4. COURSES REQUIRED FOR ADMISSION NOT IN UW COLLEGES' CURRICULUM

None.

5. SPECIAL NOTES

For information on University proficiency, breadth and core requirements please refer to the transfer guide "Letters and Sciences - General Information for All Majors."

- Due to the considerably complex requirements for this major, consultation with the program coordinator is essential during the freshman and sophomore years. .
