Dear Parents:

Thank you for permitting your wrestler the opportunity to attend the 2015 Warhawk Elite Commuter Wrestling Camp at UW-Whitewater. Here is some information for the upcoming camp on July 8-11.

STAFF: The staff of instructors has been personally selected by our coaching staff. These men are current staff members and wrestlers for the UW-Whitewater Wrestling team, your wrestler will benefit greatly from the time spent with them at camp. We will provide supervision in all activities. Our goal is for each child to learn new techniques and life skills while enjoying the wrestling camp. We will be implementing a multitude of drills and skill games to help these young wrestlers.

HEALTH SERVICE: Should your child require medical attention, an assessment will be made by the camp health supervisor and appropriate measures will be taken. **Be sure to have filled out the Health History Questionnaire/Consent Form.** He will not be allowed to participate in camp activities without this form.

INSURANCE: Insurance coverage is included in your registration fee and will cover you **ONLY WHILE YOU ARE ON CAMPUS AND FOR CAMP RELATED ACTIVITIES.** You are not covered while traveling to and from camp.

FOOD SERVICE: During the camp, your child will receive dinner on the first day. The second and third day, they will receive lunch and dinner. On the last day of camp they will receive lunch only.

DISCIPLINE: Our camp is designed for young wrestlers to appreciate the best that our sport has to offer. They will have one-on-one involvement with our staff. It is our desire that the camp will be both educational and enjoyable. However, misbehavior and misconduct will result in discipline—we will send campers home if necessary.

Thanks for the opportunity you have given us to work with your child—please don’t hesitate to call with questions: 262-472-1867.

Respectfully,

Ned Shuck
