The University of Wisconsin-Whitewater is committed to equal opportunity in its educational programs, activities and employment policies for all persons regardless of race, color, gender, creed, religion, age, ancestry, national origin, disability, sexual orientation, political affiliation, marital status, Vietnam-era veteran status, parental status and pregnancy. If you have any disabling condition that requires special accommodations or attention, please advise us well in advance. We will make every effort to accommodate your special needs.
The Warhawk Tennis Collegiate Prep Camp is designed for junior level players who are entering their junior through senior year of high school or are incoming college freshman who have the intention of playing college tennis. Our camp will prepare campers for college level tennis by focusing on mental toughness, high-level match play along with singles and doubles strategies. Campers will also develop an understanding of the recruiting process, differences from junior to college tennis and will receive tips on how to become a successful student-athlete. Throughout the week, campers will be given the experience of college level match-play and will be placed into 6 equal-level teams that will compete against one another through coached matches. In addition, campers will receive a video of their strokes and match-play.

SPACE WILL BE LIMITED TO 28 FEMALES AND 28 MALES.

The cost of the camp is $490. A deposit of $100 is due with your registration and is non-refundable. The fee includes group and individual instruction, tournament play, video analysis, meals, lodging, camp t-shirt, water bottle, and a DVD of strokes and match-play. Each camper will be covered by a limited accident insurance policy. The insurance includes primary coverage up to $7,500 and $300 maximum dental insurance. Insurance does not cover pre-existing injuries and is for accidents only. The cost of insurance is included in the registration fee. Every precaution will be taken to prevent accidents. Our camp will have a camp health supervisor available.

REMINDERS

Do not wear brand new shoes to camp without breaking them in first. Blisters are often a problem considering the long days of tennis in the hot sun. So play plenty of tennis prior to camp to prepare yourself. Do not plan on playing in outside tournaments during the week at camp or leaving early. We play plenty of tennis and need specific numbers, so plan on staying with us the entire week. We have a full service pro shop for stringing, grips, hats, and clothing.

The fieldhouse also has a state-of-the-art training room, weight room and pool, which are all available for use by the campers. Campers are expected to furnish their own bedding. The dining center offers three daily all-you-can-eat meals for the campers.
