Department of Communication Speech Waiver (8/16)

The Speech Waiver program allows those students who have had previous experience learning about and giving speeches an opportunity to bypass the required Comm 110 course (Introduction to Human Communication).

If you are waived from the course, it will appear on your transcript, BUT the 3 credits the class is worth do NOT count toward the 120 credits needed for graduation. (In other words, you are not given 3 “free” credits)

You may NOT enroll in this course if you are currently enrolled in the Comm 110 course.

The speech waiver is completed in two stages:

STAGE 1: Completing an online course via D2L

- First, come to the Department of Communication main office (Rm 400 Heide Hall) and pay the registration fee of $20 (cash only please). Shortly thereafter, you will be enrolled in the online Speech Waiver class.

- The class includes six modules, each of which has material to read and sample speeches to watch. Each module has a reading, a quiz and videos to watch.

- You may enroll in this course anytime from the beginning of the semester until midterms, but ALL requirements of this course must be met by the last day of midterms otherwise you will have “failed” this course and you will not be allowed to proceed any further.

- After all material has been read, watched, and all quizzes have been completed, you should contact Tammy French at frencht@uww.edu or 262-424-1720. She will verify your course completion then schedule you for your persuasive speech.

STAGE 2: Delivering a persuasive speech

- The persuasive speech is expected to be 5-7 minutes with at least five sources, and may not be read. (The specific expectations for this speech are explained in detail at the end of the D2L course). The evaluators for this speech will be three Department of Communication faculty members.

- It is important to note that since by this point the student will have successfully passed the online waiver course, it is fully expected that the student will implement almost all of the strategies and skills discussed and exemplified in the course. Failing to successfully meet these requirements will result in a failure to pass this stage of the waiver process, and therefore will necessitate your enrollment in the Introduction to Human Communication 110 (the persuasive speech may only be attempted once).

If you have any questions, please contact Tammy French, Basic Course Coordinator, at frencht@uww.edu or 262-472-1720
