

Requirements for the Bachelor of Music Performance Emphasis at UW-Whitewater

INSTRUMENTAL PERFORMANCE MAJORS

The Music Performance Emphasis consists of 79 units, and includes required courses and elective options. This Emphasis is intended for the highly qualified student who wishes concentrated music study in the area of performance. It is designed to prepare the student for graduate or other advanced study in his/her major performing medium. Enrollment in the Performance Emphasis during the first year of study is contingent upon the approval of the applied faculty in the student's performing area. The election of units in primary applied instruction above the minimums stated below requires permission of the instructor. In all cases, acceptance into the Performance Emphasis is to be regarded as provisional, with permission to continue to be determined by performance before a faculty jury at the end of the first year of study. A similar jury must be passed by any student seeking transfer into the Performance Emphasis from another music emphasis.

Applied Study for Performance Majors

At each level a grade of "B" or better for two semesters is required to pass to the next level. A student failing to meet these standards must continue to study at the same level until the grade requirement is met. Units so earned may be applied toward graduation but will not count toward the completion of the requirement for study in the Primary Performing Area. With permission of the instructor, a student may elect up to four units of private study per semester.

Prior to being admitted to the fourth level of study, a student must make four solo appearances on departmental recitals. In addition, while studying at the 300 level, the student must prepare and present a Junior solo recital of 20 minutes minimum duration.

At the 400 level of study the student will prepare a recital of at least 45minutes of music and will enroll for 150-489 (Senior Recital) during the semester of intended performance. One month before the intended date of the recital, the student will perform before a faculty jury, which shall decide whether expected standards for public performance are being met. Failure to pass this jury and to present the recital in public will result in a mandatory grade of "F" in Senior Recital 150-489 for the semester.
