* NOTE: In Fall 2011 these courses received new MUSED prefixes. Students who started their programs prior to that time will still have the old course prefixes on their AR's (MUSED 160 = CIFLD 160, MUSED 452 = CIGENRL 452, MUSED 437 = ELEMMD 437, MUSED 439 = SECNDED 437, and MUSED 290, 347,363, 363, 374, 366, 368, 467, and 468 formerly had MUSC prefixes). This is nothing to worry about.

General Education Requirements and Electives

While advisors can assist you with the process, it is the responsibility of students to check and understand their Academic Progress Report (AR) on WINS. Music Education Majors are subject to four types of General Education requirements: University (AR, section IV.), Diversity (V.) College (VI.), and PI34 (VII. – PI34 requirements are those subject areas mandated by the State of Wisconsin for licensure.) One of the courses you'll take for Licensure (EDFOUND 243) also fulfills the Diversity requirement, and the following checklist is designed to allow you to fill the other requirements in the most efficient way possible. Note that many General Education courses and Electives are offered during Winterim and Summer terms. It is possible to save at least a semester by fulfilling these requirements outside of Fall and Spring semesters. Credits gained from ACT test scores and High School AP testing and coursework may also be applied to these requirements. See pp.33-37 of the Undergraduate Catalog for a full list of General Education courses.
