

<b>UWW Department of Music – Jazz Certificate – 12 Credits</b>
--

Jazz, America's own Classical music tradition, is a field with distinctive musical practices (particularly instrumental and vocal styles, and a rich art of improvisation). The **Jazz Certificate** is one of three elective certificates offered by the UWW Music Department (beginning in Fall 2011). As some upper-division Improvisation and Arranging classes require Music Theory as prerequisite, the Certificate would be open exclusively to Music majors and minors. It would be most valuable as additional training for BA Music and BM Performance students, but it may also be attractive as an additional elective for BM Music Education students, providing them with additional skills in an increasingly competitive job market. This may also prove to be attractive for music teachers returning to seek additional certification.

How to sign up:

Students wishing to add the certificate may do so by declaring it in consultation with the Department Chair. When you have completed the coursework, the Certificate will be "personalized" on your AR by the Department Chair prior to graduation, and will appear on your UWW transcript.

Goals:

- Fluency in various Jazz performing styles and Jazz improvisation.
- Knowledge of Jazz composition and arranging.
- Working knowledge of the history of Jazz and its significance in American culture.

Coursework:

Much of the coursework in the Certificate will "count" towards other Music degree requirements, and thus it does not necessarily mean a full 12 additional credits added to your study at UWW. It is designed so that a student will meet the goals of the Certificate, while allowing some flexibility. Students complete the certificate by taking the following classes:

**1. 5-7 credits MUSC 164 and/or MUSC 279**

The Certificate includes at least five semesters of enrollment in Jazz or Vocal Jazz performing ensembles. It is possible for a student to enroll in more than one section of MUSC 164 in a single semester.

- MUSC 164: *Jazz Ensembles* (1 cr.). Repeatable: Jazz Ensemble I, Jazz Ensemble II, Jazz Labs.
- MUSC 279: *Vocal Ensembles* (1 cr.) Repeatable: The student must be enrolled in the Vocal Jazz section of MUSC 279 to count this course under No.1.

**2. 2 credits MUSC 344**

*History of American Jazz* is an upper division survey that integrates history and musical analysis of Jazz styles.

- MUSC 344: *History of American Jazz* (2 cr.) Prereq: MUSC 151 and MUSC 152 or instructor consent.

### **4. 2 credits MUSC 459**

This course will give the students the basic elements of Jazz arranging and composition.

### **5. 0-2 credits may be selected from: MUSC 452, MUSC 461, MUSED 467**

One or two of these courses may be included in the Certificate to ensure a breadth of Jazz-related experience. MUSED 467 is also a degree requirement for some BM Instrumental Music Education majors.
