Women’s Studies, Bachelor of Science  
(Fall 2010 Requirements)  
*Not an official document. Refer to Advising Report for full requirements.  
Sample Advising Reports available on-line http://www.uww.edu/registrar/ars/index.html

Major Planning Guides are sample programs which illustrate the type of curriculum a student will take to complete the degree in 4 years.

All students must complete a minimum of 120 credits including:
1) at least 32 units of general education, including specific Gened courses, as well as approved math and science, physical education and elective courses
2) requirements for the BA or BS Degree,
3) requirements for the major and for the minor if required.

*The Bachelor of Science requires two lab sciences and 5 credits of advanced math or 3 of math and 3 of computer science. This Planning sheet will use math statistics and intro to computers for the math requirement.

Courses in red typeface indicate specific courses that must be completed for the major. Other courses such as Gened Courses or major/minor electives can be selected from a number of course choices.
