

UNIVERSITY OF WISCONSIN
WHITEWATER

Sample 4 Year Plan (Fall 2017 Requirements)

Social Work

Bachelor of Science, COLLEGE OF LETTERS AND SCIENCES

The 4-year Plan illustrates the type of curriculum a new freshman would take to complete a degree in 4 years; it is not an official document. Refer to Academic Advising Report for full requirements.

Sample Academic Advising Reports are available on-line at

<http://www.uww.edu/registrar/sample-aars-and-ars/sample-aars-undergraduate>.

**Transfer students may have different general education requirements than those listed.
Refer to your Advising Report for requirements specific to you.**

General Degree Notes

You must begin your Math and English sequences with the appropriate course. The English course you start with will be determined by your ACT/SAT score. The Math course you start with will be determined by your UW Math Placement score. Please refer to your Academic Advising Report and adjust the sample 4-year plan accordingly.

All students must complete a minimum of 120 credits including:

- 1) At least 32 units of general education, including specific Gen Ed core courses, as well as approved math and science, physical education, and elective courses. Your general education electives must come from the following categories: GA, GS, GH, GE, or GI.
- 2) All requirements for the BA or BS Degree.
- 3) All requirements for the major and minor (if required).

College of Letters and Sciences Degree Notes

This plan includes Bachelor of Science (BS) requirements. For the BS, students must complete two lab sciences **and** 5 credits of advanced math or two 3 credit courses chosen from advanced math, statistics or computer science instead of the BA requirements.

A Bachelor of Arts (BA) is also available. For the BA, students must demonstrate that they have achieved basic competency in a foreign language equivalent to one year of study at the college level. Students must also complete two 300/400 level courses outside of the major and minor subjects.

Major Notes

The Planning Guide begins with the most common placement for this major but students who place lower may need additional math credits.

Courses in **bold** typeface indicate specific courses that must be completed for the major.

CUM GPA OF 2.5 required in social work practice courses.

Students may declare a Social Work major at any time. But entry into the Social Work Professional Training Program is by application only and students must be formally admitted into the professional training program before they may enroll in SOCWORK 371. The professional training admission criteria include: completion of 40 or more college credits; a combined cumulative GPA of 2.50 (including all UW-W and transfer course grades); completion of GENED 130 or PSYCH 211; completion of SOCWORK 102 with a grade of C or better; concurrent enrollment or completion of SOCWORK 101 and SOCWORK 311, both with grades of C or better.
