Semester Total		17			

*Courses may be offered once a year or on a limited basis.

Department Website: www.uww.edu/coeps/departments/ci or www.uww.edu/cls/language-literature

Transfer students may have different general education requirements than those listed. Refer to your Advising Report for requirements specific to you.

Gr	Group 2	Group 3
340 -Early British Literature 343 -Literature of the British Empire 344 -American Literature to 1890 348 -American Literature 1890 to 1945 350 -Nineteenth Century British Literature 360 -Twentieth Century British Literature 363 -American Literature in the Postmodern Age	323 -Asian Literatures 325 -Literature from the Middle East 327 -African Literature 329 -European Literature	Includes any course from Group 1 or 2 plus the following: 251 -Classical Myth and Legend as Sources for Literature 252 -The Bible as Literature 260 -American Environmental Literature 263 -The Contemporary Novel 266 -Gender and Film 305 -Literature of Disability 324 -Postcolonial Literatures 333 -Japanese Literature 334 -American Indian Literature 346 -Survey of Modern Drama 352 -Literature on Film 354 -Stage Plays on Film 368 -American Minority Women Writers 369 -Multicultural Drama of the U.S. You may also take English 265, 345, 404, or 405 if you did not use it to fulfill another requirement category.

General Advising Notes

Students must begin their Math and English sequences with the appropriate course. The English course a student starts with will be determined by their ACT English or SAT Verbal score. The Math course a student starts with will be determined by their UW System math placement test score.

All students must complete a minimum of 120 units in order to graduate. Requirements include:

- 1) University Requirements—four General Education Core courses and approved quantitative and technical reasoning, physical health and well-being, and general education elective courses;
- 2) All requirements for a major;
- 3) All requirements for teacher licensure (if student is pursuing licensure); and
- 4) All requirements for a minor (if required for the student's subject area degree).

College of Education and Professional Studies Program Notes

The **English Bachelor of Science in Education (BSE)** program requires a minor. Students may pursue **any minor** offered at UW-Whitewater. However, it is recommended that students select a minor that will contribute to their marketability after graduation. Students who pursue a licensable minor should consult with the appropriate Licensure Program Coordinator to ensure that they meet any and all requirements for licensure in their minor subject area.

English BSE program completers will be endorsed for licensure to teach English content courses at the Wisconsin Department of Public Instruction *Early Adolescence through Adolescence* developmental level (approximately ages 10–21 or grades 6–12). If the student completes a licensable minor, they will be endorsed for licensure in their minor content area as well. Typically, a licensable minor will match the developmental level(s) of the major area.

Admission to Professional Education

The second point of admission for students seeking teacher licensure is called “Admission to Professional Education,” which is required for students to take upper-division education coursework in their educator preparation program. It is important to be aware of the requirements for Admission to Professional Education. Eligibility requirements and details about this process can be found at www.uww.edu/coeps/advising-admissions/admissions/prof-ed-admin. **The most critical items early on are the combined GPA and testing requirements.**

Students typically apply for Admission to Professional Education while taking or after completing the Foundations Block (and must have at least 40 completed credits in order to apply).

Students will be required to pass additional assessments prior to student teaching and licensure.
