*Courses being proposed for Gen. Ed. or Diversity option must be reviewed by their respective committee after approval by the College Curriculum Committee and before being sent on to the UCC.

**Proposals which affect programs in other colleges (mainly the Colleges of Education or Business) must also go through the other College's curriculum committee before going to UCC. Proposals originating in other colleges that affect our college's programs must also come through our curriculum committee before going to UCC.

*†Proposals that have a graduate component also have to go through the Graduate Council. New courses which have a graduate and undergrad number must go through the UCC before going to Graduate Council. Proposals that are graduate level only go directly to
