

Sample 4 Year Plan (Fall 2016 Requirements)

GERMAN EDUCATION MAJOR

BACHELOR OF SCIENCE IN EDUCATION (COLLEGE OF EDUCATION AND PROFESSIONAL STUDIES)

The 4 Year Plan illustrates the type of curriculum a new freshman would take to complete a degree in 4 years; it is not an official document. Refer to Academic Advising Report for full requirements. Sample Academic Advising Reports are available on-line at www.uww.edu/registrar/sample-aars-and-ars/sample-aars-undergraduate.

Note: This plan assumes the student places into GERMAN 251. Placement into a lower GERMAN course may lengthen this program.

1st Semester	Units	2nd Semester	Units
ENGLISH 101-Freshman English	3	ENGLISH 102-Freshman English	3
MATH 141-Intermediate Algebra	4	GERMAN 252-Intermediate German*	4
GERMAN 251-Intermediate German*	4	GENED core (GENED 110, 130, 120/140)	3
PEGENRL 192-Personal Health and Fitness for Life	1	Biology or Physical Science with lab	5
GENED core (GENED 110, 130, 120/140)	3	Minor Course	3
General Education Elective (INTRAUNV 104 is recommended)	1		
Semester Total	16	Semester Total	18
3rd Semester	Units	4th Semester	Units
Biology or Physical Science with or without a lab	3	EDFNDRPC 210-Introduction to Education and Teaching	3
COMM 110-Introduction to Human Communication	3	EDFOUND 212-Educational Psychology	3
GENED core (GENED 110, 130, 120/140)	3	EDFOUND 243-Foundations of Ed in a Pluralistic Society	3

SECNDED 466-Literacy Strategies for Content-Area Teachers	3		
CIFLD 402-Directed Teaching Alternative Placement Middle School or 404-Secondary School	2	CIGNRL 470-Student Teaching Seminar (Optional)	2
CIFLD 492-Field Study	3	Semester Total	14
EDFOUND 425-Measurement and Evaluation in the Secondary School	3		
GERMAN Literature elective	3		
Semester Total	17		

*Courses may be offered once a year or on a limited basis.

Department Website: www.uww.edu/coeps/departments/ci or www.uww.edu/cls/language-literature

Transfer students may have different general education requirements than those listed. Refer to your Advising Report for requirements specific to you.

General Advising Notes

Students must begin their Math and English sequences with the appropriate course. The English course a student starts with will be determined by their ACT English or SAT Verbal score. The Math course a student starts with will be determined by their UW System math placement test score.

All students must complete a minimum of 120 units in order to graduate. Requirements include:

- 1) University Requirements - four General Education Core courses and approved quantitative and technical reasoning, physical health and well-being, and general education elective courses.
- 2) All requirements for a major
- 3) All requirements for teacher licensure (if student is pursuing licensure), and
- 4) All requirements for a minor (if required for the student's degree).

College of Education and Professional Studies Program Notes

The **German Bachelor of Science in Education (BSE)** program requires a minor. Students may pursue **any minor** offered at UW-Whitewater. However, it is recommended that students select a minor that will contribute to their marketability after graduation. Students who pursue a licensable minor should consult with the appropriate Licensure Program Coordinator to ensure that they meet any and all requirements for licensure in their minor subject area.

German BSE program completers will be endorsed for licensure to teach German content courses at the Wisconsin Department of Public Instruction *Early Childhood through Adolescence* developmental level (all ages in a public school). If the student completes a licensable minor, they will be endorsed for licensure in their minor content area as well. Typically, a licensable minor will match the developmental level(s) of the major area.

All world language BSE programs require a residency abroad experience of no less than four consecutive weeks abroad in a country where the dominant language is the student's language of study. Many students complete this requirement in the summer between junior and senior year while others choose to study abroad for a semester or full year.

Admission to Professional Education

The second point of admission for students seeking teacher licensure is called "Admission to Professional Education", which is required for students to take upper division education coursework in their educator preparation program. It is important to be aware of the requirements for Admission to Professional Education. Eligibility requirements and details about this process can be found at www.uww.edu/coeps/advising-admissions/admissions/prof-ed-admin. **The most critical items early on are the combined GPA and testing requirements.**

Students typically apply for Admission to Professional Education while taking or after completing the Foundations Block (and must have at least 40 completed credits in order to apply).

Students will be required to pass additional assessments prior to student teaching and licensure.
