

**GRADUATION REQUIREMENTS FOR BSE SECONDARY SOCIAL STUDIES DEGREE  
CANDIDATES**

**COLLEGE OF EDUCATION  
SECONDARY SOCIAL STUDIES EDUCATION PROGRAM  
Early Adolescence/Adolescence (6-12)**

**General Education Requirements for the University and  
Department of Public Instruction (PI-34)**

The PI-34 law requires completion of at least 40 units of general education. Completion of the university communication and calculation skills and university general education usually fulfills this 40 unit requirement.

**COMMUNICATION AND CALCULATION SKILLS**

DEVELOPMENTAL COURSES [0-10 credits]

\_\_\_ ENGLISH 90<sup>1</sup> (waived with ACT of 17-29)

\_\_\_ MATH 40<sup>1</sup> (waived with ACT of 1-14)

\_\_\_ MATH 41<sup>1</sup> (waived with ACT of 15-23)

REQUIRED COURSES [12-13 credits or waivers]

\_\_\_ ENGLISH 101 (waived with ACT of 30 or higher; PI-34 composition)

\_\_\_ ENGLISH 102 (or ENGLISH 105 if ACT  $\geq$  24 and student's choice; PI-34 literature)

\_\_\_ ENGLISH 105 (eligible with ACT  $\geq$  24; PI-34 composition & literature)

\_\_\_ MATH 141 (waived with ACT of  $\geq$  24; PI-34 math)

\_\_\_ SPEECH 110 (PI-34 oral communication)

**UNIVERSITY GENERAL EDUCATION COURSES [32 credits]**

CORE COURSES (12 units)

\_\_\_ GENED 110 (PI-34 fine arts)

\_\_\_ GENED 120 or 140 (PI-34 non-western history/contemporary culture)

\_\_\_ GENED 130 (PI-34 social studies)

\_\_\_ GENED 390 (PI-34 western history/contemporary culture)

ADDITIONAL GENERAL EDUCATION COURSES

\_\_\_ Biological science (PI-34 biological science requirement, need  $\geq$ 1 laboratory course in science)

\_\_\_ Physical science (PI-34 physical science requirement; need  $\geq$ 1 laboratory course in science)

\_\_\_ PEGNRL 192

\_\_\_\_\_ Enough electives with General Education status to bring total general education units to 32. (PI-34 requires 40 units of general education; however, PI-34 includes the communication and calculations skills courses in the general education total. Typically students who have completed the PI-34 science requirements and have fulfilled the university communications and calculations and general education requirements will have fulfilled all PI-34 general education requirements.)

## DIVERSITY

\_\_\_\_\_ One course: See list on page 53 of the *Undergraduate Catalog*. Education majors except those in the Early Childhood Dual Licensure program should take EDFOUND 243, Education in a Pluralistic Society.

## FOUNDATIONS BLOCK

All three courses are to be taken concurrently. The field portion of this block, Introduction to Education and Teaching, fulfills one portion of the Department of Public Instruction Human Relations requirement. Students enrolling in this block during the fall and spring semesters will not be available for other courses on Tuesdays until after 5:00P. Contact the Office of Educational Foundations for registration assistance.

Subject/Catalog Number	Course Title	Units	Prerequisites
_____ EDFOUND 212	Educational Psychology	3	See note
_____ EDFOUND 243	Education in a Pluralistic Society	3	See note
_____ EDFNDPRC 210	Introduction to Education and Teaching	3	See note

*Note.* The Foundations Block has the following prerequisites: 1) Passing scores on at least 2 parts of the PreProfessional Skills Test (PPST) which also is known as Praxis I, 2) Attendance sheet from the Phase 1 meeting, and 3) minimum GPA of 2.75.

## ALLIED LICENSURE COURSES

Subject/Catalog Number	Course Title	Units	Prerequisites
_____ SPECED 205	Psych. of the Exceptional Child	3	None
_____ ECON 213 <sup>2</sup>	Economic Principles for Teachers <b>SPRING ONLY</b>	3	None
_____ GEOGRPY 252 <sup>3</sup>	Human Environmental Problems	3	None
<b>OR</b>	<b>OR</b>		
_____ BIOLOGY 214 <sup>3</sup>	Ecology and Society	3	None
<b>OR</b>	<b>OR</b>		
_____ BIOLOGY 257 <sup>3</sup>	Introduction to Ecology	3	BIOLOGY 141 BIOLOGY 142
_____ SECNDED 466 <sup>4</sup>	Literacy Strategies for Content Area Teachers	3	Prof. Ed. Adm.
_____ EDFOUND 425 <sup>4</sup>	Measurement and Evaluation	3	Prof. Ed. Adm.

## PROFESSIONAL BLOCK AND ALTERNATE DIRECTED TEACHING SEMESTER

Subject/Catalog Number	Course Title	Units	Prerequisites
____ SECNDED 430	Methods of Teaching Social Studies <b>FALL ONLY</b>	3	Prof. Ed. Adm.
____ SECNDED 4____	Methods of Tchng. <minor> if unrelated to major <b>FALL ONLY</b>	3	Prof. Ed. Adm.
____ CIFLD 492 <sup>5</sup>	Field Study	3	Prof. Ed. Adm. Co-req. CIFLD 402 or 404
____ CIFLD 402 <sup>5</sup>	Alt. Drctd. Tchng.—Middle School	2	Prof. Ed. Adm. Co-req. CIFLD 492
<b>OR</b>	<b>OR</b>		
____ CIFLD 404 <sup>5</sup>	Alt. Drctd. Tchng.—High School	2	Prof. Ed. Adm. Co-req. CIFLD 492

## DIRECTED TEACHING SEMESTER

Students who wish to do Directed Teaching in the **Fall Semester** must take and achieve the qualifying score (153) on the Praxis II Social Studies Content Knowledge Exam (Test Code: 0081) by the preceding **January** (of that same year).

Students who wish to do Directed Teaching in the **Spring Semester** must take and achieve the qualifying score (153) on the Praxis II Social Studies Content Knowledge Exam (Test Code: 0081) by the preceding **August**.

Subject/Catalog Number	Course Title	Units	Prerequisites
____ CIFLD 412	Drctd. Tchng.—Middle School	12	CIFLD 404 Passing score on Phase 3 portfolio & Praxis II Test(s)
<b>OR</b>	<b>OR</b>		
____ CIFLD 414	Drctd. Tchng.—High School	12	CIFLD 402 Passing score on Phase 3 portfolio & Praxis II Test(s)

**Major and Unique Requirements: Attach list from major department**

**Minor and Unique Requirements: Attach list from catalog or minor department**

## Notes

<sup>1</sup>Developmental course, does not yield graduation units.

<sup>2</sup>Course satisfies the DPI cooperatives requirement for social studies major programs.

<sup>3</sup>Courses satisfy the DPI conservation requirement. Only social studies and science major or minor programs have the conservation requirement. Generally in those programs with a conservation requirement, if the program requires BIOLOGY 141 and BIOLOGY 142, it also will require BIOLOGY 257 as part of the major or minor. This course may be counted in both the major or minor program *and* in the licensure program. Either BIOLOGY 214 or GEOGRPY 252 satisfies the conservation requirement for other programs. Check the catalog listing in the licensure area for program specific listings.

<sup>4</sup> Usually taken as a part of the Methods Block, but may be taken anytime after Professional Education Admission.

<sup>5</sup>Both CIFLD 492 and CIFLD 402 or 404 take place in the same school and the same classroom with the same cooperating teacher and the same students.
