

CERTIFICATE PROGRAM COURSEWORK CHECK SHEET

Listed below are the courses required within the various emphases in the Counselor Education Program at University of Wisconsin-Whitewater. If you are interested in completing a certificate program in a second emphasis, please complete this form. Write in the course number for course requirements you believe you have met through earlier graduate study. We will do a similar review once we have all your materials. You may be asked to supply syllabi of earlier courses if there are questions about course content and / or satisfaction of requirements.
