

As a transfer student you will want to look closely at the courses that have transferred to the University. With your advisor review the program plan, and PI34 requirements.

Here is a plan that lists the courses available at UW-Whitewater to meet all of the Major requirements, University Requirements and PI 34 requirements. Use this resource as a guide but understand meeting with your advisor is essential to assuring you the smoothest transition to earn your Bachelors of Science in Education (BSE)and recommendation for teaching licenses 777-070 and 809.
