- I. **Detailed explanation of changes** (use FROM/TO format)
FROM: SPECED 684 Current Topics in Special Education: Post-Institute

TO: SPECED 787 Current Topics in Special Education: Post-Institute

- II. **Justification for action**
 1. The Current Topics in Special Education Pre-Institute, Institute, and Post-Institute are intended as professional development course opportunities for practicing educational professionals. As such, A 700 course number series best fits the purpose/intent of the institute course series.
 2. Students enrolled in MSE Professional Development are required to take 18 credits of 700 level courses. Currently, 21 of 700 level courses are available. Changing these 3 one-credit courses from 600 to 700 provides a broader selection so courses can be selected to meet their professional development needs.

- III. **Syllabus/outline** (if course Revision)
