How UW-Whitewater benefits from a strong Honors Program:

- Honors students are leavening agents in our classrooms
- Higher overall institutional GPA
- Boost in graduation rate
- Shorten the average number of years to graduation
- Increase the number of internal and external scholarships won
- More students engaged in high-impact practices
- Higher number of internships earned
- Increase in graduate school acceptance rate
- Higher rates of post-graduation employment
- All of the above contribute to our recruitment of future students
