Agreement between the McNair Scholars Program and the University Honors Program

Applicable to McNair Scholars entering the McNair Scholars Program in 2015 and following

This document is an agreement between the McNair Scholars Program and the University Honors Program that will allow McNair Scholars entering the McNair Program in 2015 to be admitted into the University Honors Program and to graduate with University Honors under the following conditions:

1. Each McNair Scholar who is admitted into the University Honors Program must achieve and maintain a minimum cumulative GPA of 3.4. If a McNair Scholar’s GPA were to fall below 3.4 while a member of the University Honors Program, then the probationary rules applicable to all Honors students would apply.

2. In order to graduate with University Honors, a McNair Scholar must achieve the following:
   a. Maintain a minimum cumulative GPA of 3.4
   b. Successfully complete the requirements of the McNair Scholars Program
   c. Earn nine (9) Honors credits by successfully completing the following in any combination:
      - H-Option projects in regular courses while earning at least a B in the course
      - Honors courses or sections while earning at least a B in the course
      - Up to 3 credits of Honors 498 courses (Multicultural Events in the fall; Honors Common Read in the spring; Honors Seminar in the spring. These Honors 498 courses are 1 credit and graded S/NC).

3. Eligible McNair Scholars who wish to join the University Honors Program must complete:
   a. A short statement explaining why they wish to be a part of the University Honors Program
   b. An Action Plan sheet (provided by the University Honors Program) that maps out a path to achieving the nine (9) Honors credits.

The UHP will keep track of Honors credits earned by each McNair Scholar and will report those credits to the Registrar’s Office each semester.
