IronPort Spam Filter Settings

OVERVIEW
This guide will walk you through the steps to modify your spam filtering settings.

Step 1
Using a web browser, go to http://password.uww.edu.

Click the Login link, then enter your Net-ID and password.

Step 2
Click the Process Request button located in the top toolbar.

Step 3
Click the Make a Process Request button located on the left side of the page.
Step 4
Use the “Process Request Category” dropdown box to select Email.

Press the Continue button.

Step 5
Click the “IronPort spam filtering” link to continue.

Step 6
Use the dropdown box to set or change your spam filtering preference. Recommended setting is “Low” or “Medium”.

Press the Submit button to submit your changed.

Once complete, you will receive an email notifying you of the change.
