Sociology, Criminology and Anthropology

### **General Goal:**

### **Planned Actions:**

Spring 2015

- Explore and research possible events and ideas for a successful Sesquicentennial event.
- Involve and engage students in planning and implementing a motto contest, permanent historical exhibit and pictorial publication.
- Explore possibilities of collaboration with History 399 class related to the history of liberal education on our campus.
- Identify and contact appropriate stakeholders (including student groups) regarding the upcoming Sesquicentennial.
- Researching and recommending design concepts for a permanent walk-through exhibit displaying the past, present and future of the UW-W Campus.

Academic Year 2015-2016

- Continue to explore and research possible events and ideas for a successful Sesquicentennial event
- Involve students in planning and implementing a logo contest, developing a permanent historical exhibit and pictorial publication.
- Organize and lead a publication squad to work with appropriate stakeholders in planning and implementing Sesquicentennial projects, such as the pictorial history
- Gain final approval for the permanent walk-through exhibit and develop installation plans.

**Deliverables, Completed Actions:**

- Thing one
- Add completed actions as necessary

**Notes:**

Teams, add any special notes here.
