**Reports:**

**President Johnson:** Last week John, Jenny and I had a meeting with Carolyn from iCIT about our website. The turn around should be very quick and we're very excited that they are going to be able to give us most the options that we requested. John and I also recorded a video for our upcoming guest chef appearance which is this week Wednesday! Also Anna and I attended Student Reps in Fon Du Lac. Although we did not have a lot of items, we did have a discussion of F 50 and a couple of other system policies that are under review. The Student Reps constitution did not have any changes and we are waiting for results from other campuses. I also had my Inclusive Leaders Forum, while it was under attended, i think we had some pretty meaningful discussions and furthered what i hope will be an ongoing relationship with the offices around us. This week, John and I will have our guest chef appearance at Esker on Wednesday. Please bring your friends down, this is great PR for us. I am going to compile a list of system policies currently in review and discuss the ones most relevant to our campus and gather information to get working on them over break. We are going to meet with our new Clerk Jamie Selck and work on setting things up for next semester. Our football team is in the semi finals and word is that ESPN will be covering Saturdays game. If you can attend, please do, our football team is doing better than ever in the play offs. Have a great week. **[Hours Week of 11/28: 12.5]**

**Vice President Jensen:** WSG, First off I would like to say thank you for everyone who sticks around through the rigorous process of SUFAC. I would also like to say thank you to Senator McKendry and Ms. Schwarz for their dedication to SUFAC, both of them did a fantastic job. Last week, President Johnson and I met with Chancellor Telfer to discuss some stuff regarding the budget lapse. We also met with Carolyn from iCIT to discuss our website transition, we will be getting a very nice looking website in the next few months. We then hosted the Inclusive Leadership Forum on Thursday. While it wasn't greatly attended, the representatives that did show up had a great interaction and I think that we really took a nice step forward in breaking down the barriers between some of the offices in the Involvement Center. Thank you to everyone who took the E-Board Evaluation Survey that we sent out several times over the last week, President Johnson and I really appreciate the feedback. Also, I would like to thank Senator Abbott for her service as Speaker of the Senate and congratulate her on a successful term. I would also like to thank Ms. Schwarz for her years of service as the WSG Clerk, she will be missed on the E-Board. ALSO, SENATORS!!!! I need your Senate Binders back before the end of semester. You will get them back at the beginning of next semester, but there are things that need to be updated. Please leave them in the WSG office (preferably the inner office). Also, thank you to all the Senators who have been giving committee reports and writing legislation and bringing ideas to the table. Good luck with finals and have a great break! I will see everyone in the Spring! **[Hours Week of 11/28: 18.5]**

**Student Affairs—Ms. Jordan:** Hey everyone I hope you had a great weekend! This past week once again I have just been working on the Involvement Initiative and the Teacher Voice Project. I have a meeting tomorrow with Dr. Rios and Dr. Bilodeau. Other than that I have just been discussing SUFAC information with the executive board and looking through the big red binders. I hope you all have a great rest of the week and good luck on your finals! **[Hours Week of 11/28: 12.5]**

**Academic Affairs—Mr. Jamar:** Hey guys, happy last meeting of the semester! It has been great working with everybody! I just have some final updates for you. The teacher voice project will be completed next semester with 3 monthly sessions. If you have any questions about the project or want updates after this semester, feel free to contact Danielle or me. The 4-Year Plan has been slow to start due to complications, but not to fear. Next semester things will start to pick up! It was great working with all of you and I wish you all the best of luck of finals! Study hard and don't die from stress! :) **[Hours Week of 11/28: 11]**

**Public Relations—Ms. Rogers:** Hey guys! I hope you all had a great week and weekend. Last week I finalized the senator spotlight project, met with Patrick, John, and Carolyn about our options for the new website and blog, promoted the President and VP being guest chefs at Esker this

Wednesday, and worked on promotion for upcoming constituent meetings. I also met with my internal committee and we came up with awesomely great ideas for promotion next semester such as YouTube videos, movie previews, give-a-ways, and much more. We are also working on academic affairs posters for Patrick, future advertisements for the Royal Purple, and hopefully a WSG column as well. This week I will continue promotion for the guest chefs, constituent meetings, work with Danielle on invitations for her event in January, and of course other public relations shenanigans. I know these next couple of weeks will be stressful and crazy because of finals and projects but just remember, relax!!! If you ever need a study buddy, you all know where to find me! Thank you for everything you guys have done this semester, including the e-board as well. Have a great rest of the week, study hard and study well! :) **[Hours Week of 11/28: 14.5]**

**University Services—Ms. McFarland:** Hello Everyone, Last week I met with Bob Barry and we had a general conversation about services currently being offered. One of the big points we discussed was possibly opening meeting rooms during finals. We thought this would be a good idea since the library is often over populated and if the rooms are not being used; they can serve as study location for students. I also emailed the people on the police report. I look forward to working on future projects next semester. Thank you and please let me know if you have any further questions. **[Hours Week of 11/28: 12]**

**Legislative Affairs—Ms. Dantzer:** Hey all! Nothing is really new, but still deciding on a final topic for a debate. Any ideas? Please share them with me. I will also be attending the Chancellors Administrative Staff meeting on Monday, Dec. 5. **[Hours Week of 11/28: 10]**

**WSG Clerk—Ms. Schwarz:** Greetings WSGers! This is my last report as Clerk. The last two and a half years or so of being Clerk for this organization have been some of the best times of my college career. If you have anything for me to add to the transition materials or information for the new clerk please let me know. There will not be an Internal Affairs meeting this week, thank you to my committee for all their great work! Thank you to you all for your hard work on the election and on SUFAC. Some of you I have known for years and some only for weeks but once a WSGer always a WSGer! If you ever need anything please let me know, I'd be happy to help! Have a great end of the semester and a happy holiday season!!!! **[Hours Week of 11/28: 10]**

**Speaker—Sen. Abbott:** Greetings, WSGers! We made it to the last meeting of the semester! I would like to begin by thanking the SUFAC group for such hard work this semester, particularly our WSG representatives. I would also like to thank all of you for patience and understanding throughout this process. It is an incredible responsibility to be a part of the student fee process. Last week, I primarily worked on transition materials and organizing things for tonight's meetings. This week, I will continue transition work and should have my transition binder completed by Friday. Let me take this opportunity to thank each and every one of you for providing me with such an incredible foundation. I am eternally grateful to the Senate for giving me this great opportunity. I would like to extend a special thank you to President Johnson and Vice President Jensen for a great semester and wonderful leadership for this organization. One of the most challenging parts of being in leadership in student government is being able to work with those around you, and Patrick and John made my job much easier this semester. Thank you, all! **[Hours Week of 11/28: At Least 1]**
