   c. Career Services. Dean Pinkerton also announced that Career Services has hired Jason Brown to help coordinate career service efforts for the College.

   d. Non-traditional/Adult Student Concerns. Dean Pinkerton relayed the following concerns:

      - 9 P.M. cutoff for D2L homework, quizzes and tests too early, prefer midnight so they can better juggle conflicting priorities; and

      - Many commute, and would like 24 hour notice of class cancellations, if possible.

   e. Foundation Scholarship Fund. Dean Pinkerton announced that Jon Enslin recently sent out an email about an opportunity for faculty and staff to donate to a fund that supports student scholarships.

   f. Digital Measures. Dean Pinkerton would like the College to revisit the use of Digital Measures to track faculty accomplishments and reporting. She will ask Lois Smith to visit a future Council meeting to demonstrate Digital Measures.
g. Provost’s Office Administrative Fellow: Dean Pinkerton reported that Lauren Smith has been selected to serve as an Administrative Fellow in the Provost’s office.

h. Staffing. Dean Pinkerton reminded Chairs that the Provost approved of the College’s replacement positions and that Chairs should commence the search processes for their departments.

i. Race and Ethnic Cultures Program Coordinator. Dean Pinkerton announced that Gene Grigsby retired and that the Race and Ethnic Program Coordinator position is being examined.

He also shared a handout about the Second Life curricular development initiative that he and Chris Calvert-Minor are coordinating.
