1. All students entering the pre-professional education pre-block courses, including undergraduates, transfer students, and baccalaureate degree holding students, must meet the following criteria:

   [a] Passing scores on at least two subtests of the Pre-Professional Skills Test PPST;
   [b] A 2.75 grade point average on a minimum of 12 credits.

2. Students seeking teacher licensure must be admitted to Professional Education in order to enroll in selected upper divisions courses (300-400) in Education. For information pertaining to admission to Professional Education, check at Winther Hall Information Desk.

3. The Wisconsin Department of Public Instruction licensure code requires all new graduates in Early Childhood and Elementary Education to complete the Environmental Education requirement. Either Biology 214, Ecology and Society, or Geography 252, Human Environmental Problems, will partially satisfy the requirement. Students should check with their advisers about the requirement.

PROFESSIONAL EDUCATION ADMISSION

For courses Restricted to Professional Education Admission: Practicing Teachers must have a copy of their teaching certificate and the application to Professional Education for Licensed Teachers on file with the College of Education (send to Winther Hall 2033, UW-W, Whitewater, WI 53190) prior to registering. Teachers seeking their first license must be admitted to Professional Education at UW-W. This is in addition to being admitted to, and enrolled in, a graduate program.

### Course Details

**EDUINDP 331 DIRECTED TEACHING A: INFANTS AND TODDLERS** ... This course provides the student with the opportunity to fully develop practice and reflect upon skills acquired through coursework and previous field experience. Students are placed in both a county Birth-to-Three Program and a community infant/toddler childcare program. High quality inclusive programs are selected (when possible). Students are provided supervision by a Cooperating Teacher, and a University Supervisor. Students will plan and implement instruction for individuals and groups of children, adapt instruction for children with disabilities, conduct assessments, evaluate student performance, collaborate with parents and professionals. Prereq: Successful completion of all prior Early Childhood Education classes.

**EDUINDP 332 REFLECTIVE SEMINAR: APPLICATION OF ISSUES IN EARLY CHILDHOOD EDUCATION** ... This course provides teachers-to-be with opportunities to reflect upon their course work and classroom experiences, discuss and share educational ideas, monitor professional growth, formulate personal goals and objectives, collaborate with peers, and design new strategies and methods for working with children, parents, and other professionals. Written and oral reflection and other means of creative expression will be practiced with respect to both the content of current courses and field work experiences. Prereq: Successful completion of all prior Early Childhood Education classes.

**EDUINDP 441 DIRECTED TEACHING B: PRESCHOOL (3-4)** ... This course provides the student with the opportunity to fully develop their practice and reflect upon skills acquired through coursework and previous field experience. Students are placed in high quality inclusive preschool programs (when possible) and provided supervision by a Cooperating Teacher and a University Supervisor. Students will plan and implement instruction for individuals and groups of children, adapt instruction for children with disabilities, conduct assessments, evaluate student performance and collaborate with parents and professionals. Prereq: Successful completion of all prior Early Childhood Education classes.

**EDUINDP 444C FIELD STUDY: EARLY ELEMENTARY (1ST THROUGH 3RD GRADE)** ... Being involved in an early childhood classroom enables students to apply theoretical understandings regarding positive discipline approaches for young children and the adaptation of both curriculum and the environment to meet individual needs and abilities. Students will practice written and oral reflection. It is expected that reflective thinking will assist the student in accommodating their beliefs and knowledge of theory to classroom realities. A concurrent seminar will allow students to pose classroom practice problems, negotiate solutions, and share insights while being exposed to multiple viewpoints. Prereq: Successful completion of all prior Early Childhood Education classes.

**EDUINDP 453 LEADERSHIP IN EARLY CHILDHOOD EDUCATION** ... This two credit hybrid based course will explore leadership development, with an emphasis on the challenges faced by educational leaders. As a hybrid course, students are expected fully engage in the learning process in class, independently and on-line (reading, reflecting, discussing, writing, thinking and problem solving both individually and as an active team member).

**EDUINDP 498 INDEPENDENT STUDY** ... Study of a selected topic or topics under the direction of a faculty member. Repeatable.

<td>SPECED 786 CURRENT TOPICS IN SPECIAL EDUCATION: INSTITUTE</td>
<td>The Institute is designed with the practical needs of educators in mind and will provide participants a comprehensive examination of current literature and practices related to critical issues facing the field of special education. Topics are selected on the basis of need, interest, or timeliness and will change each time the course is offered. Institutes will be offered in the summer session and conducted by international and national leaders with expertise on the topic. SPECED 785 Current Topics in Special Education: Pre-Institute (1 credit) and SPECED 787 Current Topics in Special Education: Post-Institute (1 credit) can be taken prior to and following each summer institute and provide a more in-depth examination of the topic.
