ADDITIONAL INFORMATION REGARDING DISCLOSURE OF PATIENT MEDICAL INFORMATION

University Health & Counseling Services (UHCS) honor a patient's right to confidentiality of medical information as provided under federal and state law. Please read the following guidelines before signing this authorization.

No Obligation to Sign. You are under no obligation to sign this form, and you may refuse to do so. Except as permitted under applicable law, UHCS may not refuse to provide you treatment or other health care services if you refuse to sign this form.

Revocation. You have the right to revoke this authorization, in writing, at any time before it ends. However, your written revocation will not affect any disclosures of your medical information that the person(s) and/or organization(s) listed on the reverse side of this form have already made, in reliance on this authorization, before the time you revoke it. In addition, if this authorization was obtained for the purpose of insurance coverage, your revocation may not be effective in certain circumstances where the insurer is contesting a claim. I also am aware that I may revoke this Authorization by notifying the medical records/health information department in writing to University Health & Counseling Services, 800 West Main, Whitewater, WI 53190

Re-release. If the person(s) and/or organization(s) authorized by this form to receive your medical information are not health care providers or other people who are subject to federal health privacy laws, the medical information they receive may lose its protection under federal health privacy laws, and those people may be permitted to re-release your medical information without your prior permission.

Right to Inspect. You have the right to inspect or copy the medical information whose disclosure you are authorizing, with certain exceptions provided under state and federal law. If you would like to inspect your records, contact University Health & Counseling Services (262) 472-1300 for further information.

Copying Fees. If you are requesting disclosure/release of medical information to other hospitals, clinics, or physicians for further medical care, or to yourself, no copying fees will be charged. You must pay for copies you request for other reasons.

Signatures. Generally, if you are 18 years of age or older, you are the only person who is permitted to sign a form to authorize the disclosure of your medical information. If you are under the age of 18, your parent or guardian must sign this form for you. However, there are many situations in which this general rule does not apply. For more information regarding who is authorized to sign this form, contact University Health & Counseling Services (262) 472-1300.

Outside Health Care Providers:

Under Wis. Stat. Ch. 146.82(5), re-disclosure of patient health care information is allowable under any of the following conditions:

1. the patient or a person authorized by patient provides informed consent for the re-disclosure,
2. court order, or
3. if re-disclosure is limited to the purpose for which the patient health record was initially received.
