Re: **UW System President Finalists' Interviews
January 6, and 7, 2014**

I am writing, on behalf of Regent President Falbo, to invite you to participate in the interviews with the UW System President finalists on January 6 and 7, 2014. The UW System President Search and Screen Committee will be meeting with UW System President Regent Selection Committee later this month to recommend a slate of candidates for consideration as finalists. Going forward, part of the finalist interview schedule will be an open forum held at each of your institutions via video conference as well as separate times for the Chancellors, and the President's cabinet.

By means of this memo, I am asking you, or your designees, to organize and hold these open forum sessions at your institutions and to summarize your institutions' impressions with Regent President Falbo and the Regent Selection Committee at the end of the second day of interviews. Associate Vice President Julie Gordon will be hosting the video conferences here in Madison and will help manage the time and encourage participation from as many sites as possible. Our office will be working with UW-Extension's Instructional Communications Systems (ICS) to schedule the various video conference times and locations with your institutions.

Once Regent President Falbo names the finalists, I will send to you links to the finalists' credentials. **For now please reserve the following times on January 6 and 7, 2014.**
