DRUMLIN RENOVATION: IMPACT ON UNIVERSITY CENTER RESTAURANTS

Here is information that we want to share with our customers about the the impact of the Drumlín Renovation on the restaurants in the University Center.

Drumlín Dining Hall is completely off-line during its renovation. This semester you will see an increase in customers in the University Center.

These are Resident Students who live on the west side of campus and are impacted by the renovation.

While there will be some challenges and “growing pains” during this time, **our commitment to serve all of our customers** will remain our top priority.

DRUMLIN RENOVATION: IMPACT ON UNIVERSITY CENTER RESTAURANTS

An extensive renovation is taking place at Drumlin Dining Hall this semester - from the HVAC to cosmetic. Here is information that we want to share with our retail customers.

Why is it so BUSY in the UC?

During this semester, resident students living on the west side of campus will be able to use their meal plans at University Center Restaurants during different parts of the day.

Why are more students using their meal plans in the UC this semester?

Drumlin Dining Hall is actually closed during the renovation. We have opened up options for Resident Students living on the west side of campus to accommodate their needs.
