A Note From Us

Someone once said that “working together, individuals can perform extraordinary feats. They can lift things that come into their hands a little higher, a little further toward the heights of excellence.”

The Young Auditorium stands as a tribute to the teamwork of many individuals who dared to dream and who worked to make their dream a reality. As a result, the Young Auditorium is an exemplary facility in which to present a wide array of entertaining and culturally-enriching performing arts events.

It is the enduring commitment to the arts from our Members that allows us to continue excellence in artistic programming, and keeps us furthering our Mission.

Membership Sustains Our Mission

Through the continued dedication and financial contribution of individuals and businesses who believe in the benefits that the arts provide, Young Auditorium has become an important part of Whitewater and the surrounding communities since its construction in 1993.

We are committed to our Mission of providing world-class performing arts, entertainment, and educational opportunities for the communities we serve, and we invite you to be a part of the legacy!

When you become a Young Auditorium Member through your tax-deductible contribution, you and your family will also receive benefits that allow you unique access to artistic excellence.
Financial Need

Ticket revenue accounts for only 50% of our budgeted income. The remaining revenue has to be raised from private and public sources. The financial contribution of individuals has always played a critical role in sustaining our programming.

Arts education is a focus of our Mission. Every season over 20,000 K-12 students attend a curriculum-related performance at Young Auditorium.

Let’s keep working together to guarantee the arts will continue to be integrated into every child’s education and available for every member of the region.
