

from Rules Governing Faculty Appointments under WWS 3, Wisconsin Administrative Code, approved by the Board of Regents on October 5, 1979, and amended February 5, 1982 and April 2, 2004

This table displays the impact of years of credited experience on the review and reappointment schedule, it lists only the department actions in each year. The remainder of the reappointment review structure during the decision years includes reviews and written, standards-based recommendations by the constituency dean, the constituency standards committee, and the vice chancellor for academic affairs. Each of these recommendations, any rebuttals, the department decision(s), and appeal panel record (if appeal filed) become a part of the portfolio for the year in question. Similarly, the record of consultation *without decision* and relevant materials for the years in which consultation is held within the department become a part of the portfolio for the year in which the consultation occurs.
