DIRECT LOAN EXIT COUNSELING INSTRUCTIONS

It is a federal requirement for all students who have borrowed through the Federal Direct Loan Program to complete an exit counseling when they graduate, withdraw, or drop below halftime status. Exit counseling provides a complete explanation of repayment, deferment and cancellation privileges, and answer specific questions about your loan.

The exit counseling requirement must be completed on-line. Go to the following website and follow the instructions given.

www.nslds.ed.gov

Click the “**Exit Counseling**” link at the bottom of the home page, and then select “**Start.**” Follow the instructions given to complete the Exit Counseling. You will be prompted to enter your personal information. You will be asked for your Federal Pin Number. This is the same number you used when completing your FAFSA on-line. If you do not remember your Pin Number you can request a duplicate by linking to the Pin Number website: www.pin.ed.gov

Please complete the on-line exit counseling promptly. A hold is placed on your records at the University until the exit counseling is completed. If you have questions regarding any of this information, please contact our office.
