

GRADUATE TUITION AND SEGREGATED FEES – MANDATORY COSTS
SPRING 2012

COST OF INSTRUCTION

All cost of instruction charges are non-allocable charges. These are charges directly related to the instruction. These costs are subsidized (matched) by monies from the State Budget for all Resident Students.

	Resident	Non Resident
Tuition	\$3,656.07	\$3,656.07
Non Resident Tuition		\$4,729.59
Total Cost Of Instruction For A Full Time Student*	\$3,656.07	\$8,385.66

SEGREGATED FEES (Mandatory costs)

Segregated Fees are charges that are recommended or reviewed by student government representation and approved by campus administration to support student services in a stable funding environment. In general allocable fees are those that support student activities and non-allocable fees support fixed financial commitments, like contracts, debt retirement, and university student service programs.

Segregated Fee Itemization:

	Allocable	Non Allocable	Total
Activity Fee	\$42.39	\$48.62	\$91.01
Student Center		\$155.70	\$155.70
Health Center		\$86.52	\$86.52
Athletic & Recreation Facilities		\$53.19	\$53.19
Leadership Development		\$39.12	\$39.12
Capital Projects		\$6.00	\$6.00
Total Segregated Fees For A Full Time Student*	\$42.39	\$389.15	\$431.54

Segregated Fee Explanation:

Activity Fee: The activity fee is used to support various activities. Some examples are recreation sports, athletics, child care center, organized activities and municipal services.

Student Center: The fee supports facilities, services, and programs at the James Connor University Center.

Health Center: This fee supports quality health services (medical, public health, and wellness/outreach).

They address the unique needs of college students with an emphasis on enhancing the well being, academic success, and dignity of our clients in a confidential, efficient, and cost effective manner. View their web page at: <http://www.uww.edu/uhrs/>

Athletic & Recreation Facilities: Provides financial support to the stadium, field house, related facilities, and fields.

Leadership Development: The Leadership Development initiative is an administrative organization that provides an integration of programs and activities for good student citizenship. Leadership Development helps to create successful, positive and productive citizens of our campus and beyond. View their web page at: <http://www.uww.edu/LeaderDev/>

Capital Projects: A non-allocable fee for the construction of large fixed assets such as sidewalks, buildings and parking lots.

*Full Time Student – Graduate = 9 credits
