COURSE PLANNING WORKSHEET

Complete the Course Planning Worksheet for your advising appointment. The worksheet is designed to be used in conjunction with your Advising Report. Bring your completed Course Planning Worksheet and Advising Report with you to your advising appointment.

HOW TO USE THE WORKSHEET

Review your Advising Report and identify which classes you still need to fulfill for your major. Requirements in **BOLD TYPE** are the requirements that have not been completed. Make sure to check the pre-requisites for the course to ensure that you have completed the pre-requisites.

Your Advising Report is separated into parts. The sections include Developmental Skills, General Education Requirements, Degree Requirements, and Major/Minor requirements. Remember that courses may fill more than one requirement.
