ADVISING RESPONSIBILITIES

ADVISORS are responsible for providing guidance to students by

- Providing accurate information on requirements and policies
- Helping students evaluate their academic success and choice of major and minor
- Supporting and encouraging students as they work to meet their goals

STUDENTS are responsible for developing their educational plans by

- Monitoring their course of study
- Understanding and fulfilling all degree requirements
- Taking initiative to seek advising

THE UNIVERSITY is responsible for guiding students to achieve their academic goals by

- Providing appropriate advising support for all students
- Providing access to academic, personal, and career advising
- Communicating all requirements and expectations for graduation

MISSION STATEMENT

The Academic Advising & Exploration Center provides intrusive and developmental academic advising to assist Undeclared and First-Year students with their transition to college and their development of an educational plan consistent with their personal values, interests and abilities.

ACADEMIC ADVISING & EXPLORATION CENTER Roseman Building 2054

Main Office: 262-472-5220

To Schedule

Appointments: 262-472-4646

Fax: 262-472-5229

Email: advising@uww.edu

Website: www.uww.edu/advising/AEAC

ACADEMIC ADVISING & EXPLORATION CENTER

The Academic Advising & Exploration Center provides advising for first-year students, with fewer than 24 units, and students who have yet to declare a major.

Students should contact their advisor for help with course selections, managing academic concerns, and career planning.
