

## **MIDDLE SCHOOL ORCHESTRA FESTIVAL FRIDAY, NOVEMBER 4, 2011**

### **The Clinic**

Your orchestra will receive a 45-minute time slot on stage with either Susan Chandler, UWW String Music Education or Steven Rindt, Director of the UW-Whitewater Chamber Orchestra. Both of these respected string educators possess vast knowledge of practical string pedagogy garnered from decades of teaching all levels of string students. The musical selections are left to each director to choose. It is suggested each group perform a minimum of two selections with contrasting tempo.

### **Listening/Writing Component**

Your group will also listen to another orchestra during the clinic for 45 minutes. Forms will be supplied to help guide the listening experience allowing students to learn in a master-class setting.

### **Technique Class**

Student musicians will also receive a 45-minute group technique class taught by the UW-Whitewater studio faculty and UWW upper level music performance majors

### **Participation Fee**

Following the UW-Whitewater string department's long history of encouraging string education and performance, the Participation Fee is \$60 per orchestra. This fee is non-refundable. All orchestras will receive a wall plaque of participation.

## **Festival Goals**

The three components of the UW-Whitewater High School Orchestra Festival have been developed to meet the educational needs of school orchestras.

- You may perform music that your group is currently practicing for a future performance. That means your orchestra can perform any musical selection(s) and does not have to be a “finished product”.
- OR-
- You may perform music off the WSMA String Orchestra List to fulfill the WSMA large group requirement.

## **The Schedule**

The morning will follow either of two time tracks:

9:00 - 9:45
9:55 - 10:40
10:50 - 11:35

10:00 - 10:45
10:55 - 11:40
11:50 - 12:35

Time requests will be honored on a first-come first-served basis.
