MEMORANDUM THRU LIEUTENANT GENERAL R. L. VAN ANTWERP,
COMMANDING GENERAL, U. S. ARMY ACCESSIONS COMMAND, FORT
MONROE, VIRGINIA, 23651-5000

FOR MAJOR GENERAL ALAN W. THRASHER, COMMANDING GENERAL, U. S.
ARMY CADET COMMAND, FORT MONROE, VIRGINIA 23651-5000

SUBJECT: Mobilization of Reserve Component Member Cadets in U. S. Army Cadet
Command (USACC)

1. Reference memorandum, Subject: Fencing U. S. Army Reserve and Army National Guard Soldiers in the Reserve Officers' Training Corps (ROTC), this headquarters, dated 2 May 2005; and your memorandum, SAB, dated 6 May 2005.
2. In an effort to protect our investment in the future of our officer corps, I have previously directed that all contracted ROTC cadets serving in U. S. Army Reserve (USAR) or Army National Guard (ARNG) units be considered non-deployable. At your request, as non-scholarship cadets may not contract until their second year, I am also directing that all first year non-contracted ROTC cadets serving in USAR or ARNG units, who have successfully completed their first semester, and remain enrolled in the ROTC program, be considered non-deployable.
3. Second, third and fourth year cadets must be contracted in order to be considered non-deployable. Exceptions to this policy will be considered on a case by case basis when extenuating circumstances prevent a cadet from contracting prior to his unit's mobilization.
