## ABOUT THE CAMP

This summer the University of Wisconsin-Whitewater will continue the tradition of providing outstanding basketball camp instruction in a fun and competitive atmosphere. It is our goal to teach the fundamental building blocks that make up a great player while creating a fun and exciting learning environment! We offer a low camper to coach ratio which allows campers to learn more effectively while enjoying themselves.

Our camp staff consists of top college and high school coaches from the Midwest, former collegiate and professional players, current Warhawk players and the entire UW-Whitewater basketball staff. The UW-Whitewater Basketball Camp presents each camper with opportunities to grow as a player and as a person in an enjoyable and friendly atmosphere. Each camper competes and learns with others of the same age and abilities. Many of our drills are the same ones our players have benefited from in our nationally recognized program.

UW-Whitewater's campus and facilities provide an outstanding environment to ensure that each camper has a rewarding experience. Camp sessions are conducted in the DLK Gymnasium as well as the Kachel Fieldhouse.

The daily format will consist of fundamental instruction, stations, lectures, and 5 on 5 league games. It is our hope that upon completion of the camp, each camper has a better understanding of basketball skills and all the intangibles that will make them a successful teammate, player and person. We hope you will join us this summer.

## FACILITIES

The Warhawk Basketball Camps are conducted on the beautiful campus of UW-Whitewater. Campers will have use of recreational facilities and the pool. The 60,000 square foot Kachel Fieldhouse is one of the finest facilities in the country and features four courts.

## COMMUTERS

Commuters are campers who elect not to stay overnight in the residence halls. Commuters do not eat breakfast on campus but will be provided with lunch and dinner. Commuters will be able to go to the residence halls between sessions with teammates or friends if they choose.
