

Hello Warhawk Soccer Academy Player,

Thank you for registering for our Warhawk Junior Soccer Academy, we are sure you will find your experience with our Academy to be fun and informative. Below is some information that will help you get the most out of your experience.

1. Plan to start and end your time with us at the Coulthart Pavillion which is located at the Northwest corner of Lot #24 next to Perkins Football Stadium. This will be a convenient location to drop off/pick up or park to walk out to the practice location. We will be practicing on our practice soccer field which is located just west of Perkins Football Stadium.
2. Please plan to arrive 15 minutes prior to the scheduled start time.
3. You should bring soccer shoes & running shoes (in case of inclement weather). Shin guards are required at all times during the camp, and you will not be allowed to participate without them. Please bring your own soccer ball and water as well.
4. In case of emergency or inclement weather that interrupts our session, we will utilize the Student Athletic Complex building as a safety shelter. This building is located in the Northeast corner of Lot #24, next to Perkins Stadium.
5. Expect to work hard, and have fun. Our interest is in seeing you become a better soccer player, and increasing your passion for soccer.

Thank you again, and we look forward to seeing you on August 8!

Yours in Warhawk Soccer Academy,

Coach Greg Henschel
