UW-Whitewater Assessment Council

Functions

- An administrative advisory committee to the Director of Academic Assessment.
- Offers information, advice, and help on assessment-related questions & issues.
- Share assessment activities and needs from their units with one another and with the Director.
- Participates in assessment planning and campus-wide assessment events.

Membership

- Director of Academic Assessment (Chair)
- One representative from each academic college, knowledgeable about assessment throughout the college, appointed by Dean
- Associate Vice Chancellor for Student Affairs

Meetings

The committee meets as needed, usually one to two times per semester.

Recent Projects

- Participate in development of Assessment Strategic Plan.
- Participate in planning for Assessment Day.
