COCHEM AND REICHSBURG CASTLE
from Koblenz, Germany

Depart by coach for the quaint town of Cochem in the heart of the Moselle River Valley. Upon arrival, a guided walking tour takes you through the narrow lanes where half-timbered houses, towering gates and picturesque market squares await. A highlight of the excursion is the visit of Cochem (Reichsburg) Castle. Having lay in ruins for nearly 200 years, it was purchased by a German businessman and rebuilt in 1868 for use as his family’s summer residence. Inside the castle your guide brings history to life as you pass through the various rooms and admire the original furnishings and architectural style. See if you can find the hidden passage and learn the secret to the specially designed keyhole for nights when the libations flowed a bit too freely! See the wishing well and witches tower as you stroll the grounds and enjoy the impressive views from the balcony. After an enchanting day in Cochem, return to the ship in Koblenz.
