## **2022-2023 ASA PRIORITIES**

**PAY PROGRESSION/EQUITY Priority:** To address AS who are not at the minimum pay range, make sure no AS are below the minimum pay, and address pay inversion for academic staff being paid less than new hires.

**CONTRACTS (timing and length of contracts) Priority:** To address the inconsistency of contract timeliness for notification and renewal per the personnel rules, eliminate contracts for full-time staff with length less than one year (semester-by-semester contracts), and explore contract duration longer than one academic year.

**FLEXIBILITY Priority (previously TELECOMMUTING POLICY PRIORITY):** To address the issues surrounding the current policy so it is actually a policy. UPDATE: \*\*Upon further exploration, it has been determined that this priority is more related to flexibility of space and time as well as feeling valued, trusted, and respected by supervisors.

**ONBOARDING Priority:** To develop a formalized onboarding process for all Academic Staff.

**PROMOTIONS Priority:** To finalize updates to the promotions process for IAS initiated over the summer and continue working toward a clearer promotions process for all AS and to communicate about the process to constituencies.

**TELECOMMUTING POLICY Priority:** To address the issues surrounding the current policy so it is actually a policy.

**SHARED GOVERNANCE COLLABORATION Priority:** To continue to foster the shared governance collaboration between Faculty Senate, WSG, and University Staff Council to demonstrate a strong shared governance presence at UWW.

**OUTREACH Priority:** To continue communication to all AS especially through constituencies, to educate university community to stop using "non-instructional" term, and to welcome new academic staff to campus.

**EMERITI STATUS Priority:** To finalize nomination process for emeriti status and then identify those who qualify for emeriti status for possible nomination.
