

Joint Shared Governance Resolution for Transparency Related to Dean, Associate/Vice Chancellor, Director, and Chief Searches

For consideration by ASA 2023-3-8

For consideration by Faculty Senate on (pending)

For consideration by University Staff Council on (pending)

For consideration by Whitewater Student Government on 2023-3-6

Rationale

Because communication related to leadership position searches within our institution is important for building a culture of transparency and trust, the following policy was developed.

Policy

- Any opening in a position of this level should be posted on the UWW Employment website
- When Finalists are selected, their open forums should be announced including the following contents: a list of all candidates, their forum date/time, their resume and cover letter, and feedback survey link. (note: one email may contain information regarding more than one search conducted within a similar period of time)

Submitted by Rebecca Jones on behalf of the Joint Shared Governance Workgroup on Campus Search Committee Composition.
