

Certificate in Graduate Project Management

The Certification in Project Management (PM) is designed to allow professionals with a Bachelor's degree to acquire knowledge, experience, and solid foundation for managing projects. These courses are based on the text, *A Guide to the Project Management Body of Knowledge*, (PMBOK® Guide) – Fifth Edition, and demonstrate practical lessons in project management which are illustrated through theory, cases, and practice. These courses are available for students on campus and online.
