

# New Member Action Plan to 21

Name: \_\_\_\_\_ Date: \_\_\_\_\_  
 Email Address: \_\_\_\_\_ Student ID: \_\_\_\_\_  
 Year in School: \_\_\_\_\_ Number of Honors Credits Earned to Date: \_\_\_\_\_  
 UHP's Record of Honors Credits (for UHP Staff Only): \_\_\_\_\_  
 Major (if known): \_\_\_\_\_ Minor (if known): \_\_\_\_\_

## Instructions

- 1 This Action Plan to 21 is meant to be a helpful guide to both you and the UHP for completion of your Honors coursework. It is not a contract, so it is subject to change according to your changing academic interests, needs, and availability of course offerings.
- 2 Find the Action Plan to 21 tables on page two that apply to your year in school (based on either credits earned or actual number of years at UW-W) and complete them. (For example, a freshman would complete at least four tables beginning with Freshman Year; a sophomore would complete at least three tables beginning with Sophomore Year, etc.)
- 3 Refer to the Honors Courses Rotation Sheet on page 3.

### Important Notes:

- Please note that you can take special Honors electives (e.g. Honors 291, Honors 296, and Honors 498) toward the 21 credits. These courses are repeatable, usually up to six credits.
- A minimum cumulative GPA of 3.4 must be maintained throughout your college career in order to graduate with University Honors. Further, you must achieve a "B" or higher in Honors courses/sections (except for Honors electives, which are graded S/NC) and in courses in which you complete an H-Option project in order to receive Honors credit for the course.
- Turn in this completed New Member Action Plan to 21 in person to the University Honors Program Office (McCutchan Hall, lower level) or by email to [honors@uww.edu](mailto:honors@uww.edu). Keep a copy for yourself.
