

Experiential Learning LEAP Action Plan

LEAP Workshop Year: 2014 Action dates: Spring 2014-Spring 2015	For more information, contact: Juk Bhattacharyya, x5257, bhatacj@uww.edu Rich Jazdzewski, x1305, jazdzewr@uww.edu
Paul House	Faculty, Chemistry
Juk Bhattacharyya	Faculty, Geography & Geology
Rich Jazdzewski	Univ. Health & Counseling
Matt Lamb	UG Student
John P Villavicenco	Graduate Student, L&S
General Goal: Create a centralized web site featuring experiential learning opportunities available for students, and ideas for staff/faculty for incorporating experiential learning in their courses and/or extracurricular activities.	
Planned Actions: <ul style="list-style-type: none"> • Survey members of UW-Whitewater to explore where and how experiential learning practices are being utilized on campus • Create a blog website as a centralized location for exchanging ideas and gathering comments and feedback about experiential learning opportunities • Develop a chart/reference guide for students to be posted on the website 	
Deliverables, Completed Actions: <ul style="list-style-type: none"> • Spring 2014 survey —<i>team members created and distributed a preliminary survey to see what types of experiential learning opportunities exist on campus, and gauge interest in learning more about them.</i> • Developed a chart/reference guide for students —<i>A draft reference guide to different experiential learning opportunities available on campus was created for students in every stage of their undergraduate career.</i> • Created a blog website —<i>A blog web site (http://blogs.uww.edu/experiential/) is currently being maintained by one of the team members for disseminating information about experiential learning opportunities to staff/faculty, and students.</i> 	
Notes:
